

Extract of the Privacy Policy

Privacy Policy of Destroy COVID Bt. (hereinafter referred to as the Data Controller).

Coming into force: June 14, 2021

Webshop

Visitors of the website destroycovidgame.com can place orders for products of Destroy COVID Bt.

The purpose for data processing

Concluding and fulfilling the contract for the supply of products and handling customer complaints.

Lawful basis for data processing

- Processing is necessary for the performance of a contract [GDPR Article 6 Section 1 (b)],
- Act C of 2000 on Accounting Section 169 (2)

Controlled data

Order ID, date, features of the ordered products, coupon code used and its value, the customer's name, email address, telephone number, delivery and billing address, notes to the delivery service, payment transaction ID, payment status, delivery tracking number, data according to customer complaints.

How long data is being retained

The Data Controller manages the data related to the order according to the civil limitation period.

The accounting documents (and the personal data contained therein) must be kept for eight years from the date of their creation in accordance with Section 169 (2) of the Accounting Act.

Newsletter

Visitors of the website destroycovidgame.com can subscribe to the newsletter.

The purpose for data processing

Raising awareness about current information and promotions.

Lawful basis for data processing

Given consent to the processing [GDPR Article 6 Section 1 (a)].

Controlled data

Customer's name, email address, country. (Giving the country is optional. If the customer provides it, he or she will receive information that is relevant to his or her country.)

How long data is being retained

Until the withdrawal of the data subject's consent. Unsubscribing from the newsletter, i.e. withdrawing consent, is possible using the link at the bottom of the newsletters or requested by post or email.

Application

Destroy COVID application for iOS and Android (also available at destroycovidgame.com/runapp) does *not* collect any privacy data.

Cookies

The website destroycovidgame.com does not send cookies to the users' computers directly. However, third party cookies are used. These cookies are strictly necessary and only used for fraud detection and protection. The following technologies use cookies:

- Google reCAPTCHA
 - <https://www.google.com/recaptcha/about/>
 - <https://policies.google.com/privacy>
- Barion Pixel

 - <https://www.barion.com/hu/adatvedelmi-tajekoztato/>

Data processors

The Data Controller can transfer personal data to the following data processors.

Data storage

Data Processor: Google Commerce Limited (FireBase)

Headquarter: Gordon House, Barrow Street, Dublin 4, Ireland

Website:

<https://firebase.google.com/terms/data-processing-terms/>,

<https://firebase.google.com/support/privacy/>.

The data processor only stores personal data and is not entitled to access them. According to the data controller's statement, it fully complies with the provisions of the EU GDPR Regulation.

Online payment

Data Processor: Barion Payment Zrt.

Headquarter: Infopark sétány 1. I. épület 5. emelet 5., Budapest, Hungary, H-1117

Website: <https://www.barion.com/hu/adatvedelmi-tajekoztato/>

Data Processor: PayPal (Europe)

Headquarter: S.à.r.l. et Cie, S.C.A., 22-24 Boulevard Royal L-2449, Luxemburg

Website: <https://www.paypal.com/webapps/mpp/ua/privacy-full>

Data processors are involved in making online payments.

If you select the Barion online payment option, the features of the ordered products, the customer's name, email address, telephone number, delivery and billing address will be sent for fraud prevention at the moment of navigating to the payment gateway.

If PayPal's online payment option is selected, only the features of the ordered products will be transferred when navigating to the payment gateway. PayPal will provide the other data required for the order to the Data Controller.

The customer's bank card data will not be sent to the Data Controller during payment gateways are used; they will not be known and handled by Destroy COVID Bt.

Billing

Data Processor: Billingo Technologies Zrt.

Headquarter: Árbóc utca 6. III. emelet, Budapest, Hungary, H-1133

Website: <https://www.bilingo.hu/adatkezelesi-tajekoztato>

The data processor participates in the issuing of accounting documents and in sending them to customers.

To issue and send invoices, the features of the ordered products, the customer's name, email address, telephone number and billing address will be sent to the data processor.

Accounting

Data Processor: Statera Consulting Korlátolt Felelősségű Társaság

Headquarter: Iskola utca 35/A III. em. 2., Budapest, Hungary, H-1011

Website: <https://staterakonyveles.hu/>

The data processor contributes to accounting.

During that task, the data processor processes the personal data appearing on the invoices.

Delivery

Data Processor: Csomagküldő.hu Kft.

Headquarter: Vizimolnár utca 10. 6/54., Budapest, Hungary, H-1031

Website: <https://www.csomagkuldo.hu/>

The company participates in the delivery of the ordered goods.

To perform this task, the customer's name, email address, telephone number, delivery address, and notes will be provided to the data processor.
